

Job Opening for Full Time Advanced EMT

Are you passionate about patient care? Do you have good “people skills”? Strong work ethic? Are you a team player? Do you enjoy working in a stress-free environment? If so, then we want to talk to you!

ESSENTIAL SKILLS, DUTIES AND RESPONSIBILITIES: Supervision by licensed medical staff; must have expert skills in starting IV’s and administering treatment drugs under supervision of licensed medical staff; obtain and record vital signs; ability to read and understand oral and written instructions, follow written protocols, and communicate clearly; skilled in establishing and maintaining good working relationships with patients, supervisors and other staff members, and the public; and knowledge of medical terminology. Hours may vary according to treatment schedule. Fridays, Saturdays & Sundays off.

QUALIFICATIONS AND REQUIREMENTS

Education & Certification: High school diploma or GED or above; must have Advanced EMT certification; must be knowledgeable with computers; we appreciate a quick learner.

Other Requirements: Honesty, punctuality, and good work ethic; must be able to pass drug testing and criminal background check. Letter of recommendation from previous employer merits extra consideration.
